

K – DRIVER 10W 350MA

Modello <i>Model</i>	Alimentatore led slim multi porta sistema K-DRIVER a corrente costante 350mA <i>Slim led power supply with K-DRIVER system and multi port constant current 350mA</i>
Versioni <i>Version</i>	K350
Installaizone <i>Installation</i>	Montaggio con viti o biadesivo <i>By screws or by double sided tape</i>
Materiale scocca <i>Body material</i>	Tecnopolimero <i>Technopolymer</i>
Grado di protezione <i>IP rated</i>	IP20
Cablaggio ingrtesso <i>Input wiring</i>	Cavo alimentazione plug & play L.2000mm con spina standard EU – UK – USA – CHINA <i>Plug & play power cable L.2000mm with standard plug EU - UK - USA - CN</i>
Cablaggio uscita <i>Output wiring</i>	4 connessioni integrate <i>Bulit-in 4 connections</i>
Note	Porta di connessione integrata 4 poli per sistemi di controllo, fornito con 3 cablaggi per cortocircuitare le uscite libere
Note	<i>Integrated 4-pole connection port for control systems, supplied with 3 cables to shorten the free outputs</i>

	K-350
L	137,5
P	43,8
H	15
Output power	8,5W
Output current	350mA
Vin	100-240V
Frequency	50-60Hz
IP	IP20
Power factor	>0.5
Operating temp.	-10...+45°C
Integrated led connections	4
